That Section 18 of Article 4 of the Constitution of the State of Texas be amended to read as follows:

That Sections 9, 17, 26, 30, 31, 33, 34, and 40 of Article 3 of the Constitution of the State of Texas be, and the same are hereby repealed, effective as of the third Tuesday after the first Monday in January, A. D. nineteen hundred and forty-one.

D. nineteen hundred and thirty-eight, at which election each ballot shall have printed thereon the words:

"For the amendment repealing certain Sections of Article 3 of the Constitution of the State of Texas, and amending other Sections of said Article; and amending Sections 16, 17, and 18 of Article 4 of the Constitution, fixing the term of office of the Lieutenant Governor at four years, and providing that the compensation of said office shall be the

The Governor of this State is hereby directed to issue the necessary proclamation, ordering the election to determine whether or not the proposed Constitutional amendment, set forth herein, shall be adopted, and to have the same published as required by the Constitution and Laws of this State. The sum of Five Thousand Dollars (\$5,000.00), or so much thereof as may be necessary, is hereby appropriated to defray the expense of printing such a proclamation and holding such an election.

Senator Burns raised a point of order on consideration of the substitute, on the ground that a resolution containing the same substance has been considered and defeated at this Session of the Legislature by the House of Representatives and by a committee of the Senate. [See Article III, Section 34, State Constitution.]

(President in the Chair.)

The President overruled the point of order and stated that the provisions of the constitution regarding the proposal of constitutional amendments, in his judgment, authorize a proposal to amend the constitution to be considered during a legislative session at which a proposal containing the same substance has already been defeated.

Senator Burns appealed from the ruling of the Chair.

Senator Holbrook was called to the Chair pending the appeal.

Question—Shall the ruling of the Chair be sustained?

Question—Shall the resolution be passed?

Amend Collie substitute for the Sulak amendment by striking out all of "Proposition 1" and inserting in lieu thereof the following:

"Proposition 1.

"Section 1. That Section 51b of Article III of the Constitution of the State of Texas be amended so as to hereafter read as follows:

"The Legislature shall, by general law provide for Old Age Pension or Assistance, or for Old Age Pensions and Assistance and for the payment of same not to exceed Fifteen (\$15.00) Dollars per month to actual bona fide residents of Texas

who are over the age of sixty-five (65) years; and the Legislature shall have the power to provide for assistance to needy individuals who are blind over twenty-one years of age, and to needy dependent children, and to provide reasonable facilities for promoting and protecting the health of needy mothers and children, including adequate medical, surgical and corrective services and care for crippled children; provided that no habitual criminal, and no habitual drunkard while such habitual drunkard, and no inmate of any state supported institution, while such inmate, shall be eligible for such Old Age Pension or Assistance; provided further that the requirements for length of time of actual residence in Texas shall never be less than five (5) years during the nine (9) years immediately preceding the application for Old Age Pension or Assistance and continuously for one year immediately preceding such application. Provided that no pension or Assistance shall ever be paid to any person not a citizen of the United States who has entered this country after the adoption of this amendment.

The Legislature shall have the authority to accept from the Government of the United States such financial aid for Old Age Pension or Assistance, or for Old Age Pensions and Assistance as that Government may offer not inconsistent with the restrictions hereinbefore provided.

"For the purpose of paying old age pension or assistance and to carry out the purpose of Section 1 of Section 51-b of this Constitution the Legislature shall levy against all persons, companies, firms, partnerships, corporations, and unincorporated companies or associations engaged in the business of retail sales of tangible personal property, or engaged in the business of conducting places of amusement of any kind and character, a sales tax not to exceed two (2%) per centum of the gross sales so made in the retail trade and of the gross receipts of such places of amusement; provided that the tax shall not be levied as to sales of motor fuel, tobacco and tobacco products, nor as to sales of agricultural, orchard, dairy or live stock products by the actual producer, nor as to sales by organiza-

tions for the benefit of charitable, religious or educational purposes; provided, further, that the tax as to gross receipts of all places of amusement shall not be levied as to the gross receipt from performances the next proceeds of which to charitable, religious or educational purposes; nor as to sales to the U. S. Government, the State of Texas, or other political subdivisions.

"All such sales taxes so levied and collected shall constitute a special fund or funds and shall never be diverted to any other purposes than the payment of Old Age Pension or Assistance, or for Old Age Pensions and Assistance and no greater tax shall be levied than will be sufficient to pay Fifteen (\$15.00) Dollars per month to all persons entitled to such Old Age Pension or Assistance and necessary costs of administration. All funds distributed to persons over sixty-five (65) years of age who meet the foregoing requirements shall be distributed prorata without regard to the previous standard of living of the applicant and without regard to income or other restrictions than those herein specifically provided. The Legislature shall forthwith enact laws necessary to carry into effect the provisions of this enactment, and shall set up the machinery to administer said law and shall make such appropriations out of the special fund or funds herein created as are necessary for the administration of the same. There shall never be levied in this State a sales tax on the sales herein provided to be taxed other than the one herein provided for, except on spirituous, vinous and malt liquors.

"The term 'retail sale' shall mean the sale or transfer of any goods, wares, merchandise, or tangible personal property for a valuable consideration within this State when such transfer is made by one in the ordinary course of his business and the sale is made for consumption or use, or for any purpose other than for resale, or for use in processing, manufacturing or industrial enterprises. The term 'retail sale' shall not include the isolated or occasional sale of tangible personal property by a person not engaging in the retail business, nor goods or products sold by the actual producer, nor if the thing sold is purchased

for resale by the buyer in the ordinary course of his business, nor if it is to be used or consumed by a manufacturing, industrial or processing business in creating other goods, wares, merchandise or services for sale to the public. Conditional sales are included within this definition when in other respects such sales meet the test of a retail sale. No political subdivision of this State shall have authority to levy an occupation tax by virtue of this amendment.

Question—Shall the amendment be adopted?

In the event the act passed by this session of the Legislature establishing a State Hospital for the insane in west Texas becomes a law, there are hereby appropriated for each of the fiscal years ending August 31, 1938 and August 31, 1939, the sum of Forty-five Hundred (\$4500.00) Dollars for the hospital superintendent's salary and Five Hundred (\$500.00) Dollars for the superintendent's traveling expenses, for the purpose of aiding in planning, constructing, equipping and operating said hospital.

Sec. 2. For the purpose of partially paying the amounts of the items specified herein for the Austin State Hospital, State Orphan Home, Texas School for the Blind, and Texas School for the Deaf, there are hereby appropriated the interest on all securities held by these several institutions, and any balances remaining at the end of any fiscal year in the Available Lunatic Asylum Fund, Available Orphan Asylum Fund, Available Blind Asylum Fund, and Available Deaf and Dumb Asylum Fund; and said interests and balances shall be transferred by the State Comptroller and State Treasurer to the General Revenue Fund, either annually or semi-annually. Properly to permit these transfers there are hereby appropriated out of the General Revenue Fund to the said respective available funds as appear due to said funds \$28,700.00 to pay the unpaid interest through the fiscal years ending August 31, 1936 and August 31, 1937, and \$14,350.00 for interest in the fiscal year ending August 31, 1938, which appropriations shall be available during the year ending August 31, 1938; and for the same purposes the sum of \$14,350.00 for interest accruing in the fiscal year ending August 31, 1939, is hereby appropriated and made available for that year.

GENERAL PROVISIONS

Sec. 3. The expenditure of the appropriations herein made shall be subject to the following provisions:

Annual Reports. (a) A report shall be made annually by the superintendent or head of each institution and filed with the State Comptroller, and a copy with the Board of Control before November the first after the close of each fiscal year, giving an itemized statement of all moneys expended and the particular appropriation or fund from which said money was expended, including an itemized statement of all purchases or outstanding contracts remaining unpaid at the close of the fiscal year; also a statement showing the full amount of money received from all sources, and any balances.

(b) The head of each institution or agency shall keep a record of the absences of the various employees, the reasons therefor, whether from sickness, vacation or leave of absence and incorporate this information in the institution's regular annual report made to the Board of Control.

Printing and Stationery. All printing and stationery shall be purchased through the Board of Control and shall be confined to such articles and qualities as selected and contracted for by said Board, except certain printing provided by law to be done by several of the State institutions. No embossed or engraved printing and stationery shall be purchased.

Postage Stamps. None of the money appropriated herein for postage stamps shall be spent except on warrants or checks made payable to a United States Post Office and the warrant or check shall be endorsed by the Postmaster from whom the purchase is made.

Vacation Allowance. Vacation of not exceeding twelve (12) working days may be allowed all of the twelve-month officers and employees provided for in this Act.

Fireproof Buildings. All authorized new buildings costing more than Ten Thousand Dollars (\$10,000.00) shall be of fireproof construction except as otherwise provided.

Traveling Expenses. None of these appropriations may be used for traveling outside of the State of Texas without the advance written consent of the State Board of Control, except in adjoining States in deporting non-resident inmates and returning escaped inmates to institutions. Otherwise, the State Comptroller shall apply the same rules to the approval and payment of traveling expenses of all employees except the superintendents of the eleemosynary institutions as he applies to such expenses of the State Departments. Superintendents' trips shall be as authorized by the Board of Control.

Additional Employees' Compensation. When a necessity exists for additional help at any of the eleemosynary institutions the Board of Control shall first give to the superintendent its written approval and consent for such employment, and such help may be paid out of any local institutional receipts, including pay-patient funds, or out of support, maintenance, repair and improvement appropriations. When any additional employees, other than those for which specific salary appropriations have herein been made are employed, and are to be paid out of said non-salary appropriations or any other funds, such employees shall not be paid larger amounts than those provided in the specifically appropriated salaries for similar positions in such institution or agency, and in the event there are no similar positions within such institution then such additional employees shall not be paid larger amounts than those provided for similar positions in other State institutions, departments or agencies. In the event laborers, skilled laborers and mechanics cannot be obtained at the above mentioned salary scale, then the heads of such institutions may pay for temporary employment only not exceeding the prevailing wage scale paid in the localities where the temporary service is to be rendered. No additional employees may be hired without the written consent of the Board of Control.

Audits. None of the appropriations herein made shall be used for employing any firm, corporation or person, excepting persons regularly and continuously employed by the institutions or the State Board of Control, to audit said institutions and agencies; provided, however, that if, in the judgment of the head or managing officers of any of said institutions or agencies, additional auditing is necessary and the State Auditor shall not have sufficient funds in his appropriation to make such audits, then the head or managing officers of any of said institutions or agencies may direct the State Comptroller to transfer in lump sum and add to the appropriation made for the State Auditor the amount necessary for the State Auditor to make such audits.

Tuberculosis Sanatorium. None of the money herein appropriated for the State Tuberculosis Sanatoriums shall be used to treat any person who has not been a resident bona fide citizen of Texas for at least three (3) years; this provision shall not apply to any child born in the State of Texas.

Perquisites of Employees. (a) When it is provided that the family of a superintendent, officer or employee of any of the said institutions, are permitted to live at said institution, and are to be furnished with board, fuel, lights, laundry, water, housing, or any of said items, the word "family" shall be construed to mean the immediate family of said superintendent, officer or employee, including himself, wife and legally dependent children; and when any officer or employee is to be furnished with provisions not to exceed some certain amount stated, it shall be the

duty of the storekeeper-accountant to charge said officer or employee with each item of provisions as furnished him, showing the price thereof; said storekeeper shall not permit the amount authorized to be exceeded, and shall make a monthly report of same to the Board of Control, and said Board of Control shall be charged with the duty of seeing that no account for such provisions exceeds the amount allowed therefor. The Board of Control may authorize one of the cooks provided in the Acts to be assigned to the Superintendent's quarters.

(b) Under written direction of the Board of Control all employees may receive board, room and laundry, except when otherwise limited.

(c) In these appropriations the Legislature has provided a fairly uniform scale of salaries for similar services throughout the institutions without, however, differentiating in the amounts to be paid employees receiving, and those not receiving, room, board and laundry from the State; and to prevent inequalities in salaries to those employees not receiving any or all of such perquisites it is provided that the Superintendents, upon the written approval of the Board of Control may adjust such employees' salaries out of the respective support and maintenance appropriations by not exceeding Twelve Dollars (\$12.00) per month each. More easily to adjust such items proper transfers from support and maintenance to salary appropriations may be made annually or more often.

Salaries and Other General Provisions. (a) All annual salaries shall be paid in twelve (12) equal monthly installments except as otherwise herein provided.

(b) If any position for which a salary is herein fixed shall not be filled then such salary shall lapse into the State Treasury. No position with a fixed salary shall be supplemented or be paid more than such specific amount out of any other funds belonging to said institution or the State; provided, that this language shall not be construed to prevent promotion or the transfer of one employee from his or her position to another position which provides a different salary, but it is specifically made the duty of the Superintendent, to transfer employees to other positions when it is possible to secure more efficiency. No salary shall be paid to any person unless such person actually discharges assigned duties. Provided that one salary at the Galveston State Psychopathic Hospital and any vocational instructional positions at eleemosynary institutions conducting schools may be partly paid or supplemented in amounts approved in writing by the Board of Control out of Federal or State appropriations or allocations made through educational agencies.

(c) The amounts appropriated in this Act are intended to cover and shall cover the entire cost of the items, and shall not be supplemented except as otherwise provided. It is especially provided hereby that all contracts and undertakings entered into, under and by virtue of the terms hereof, for specific improvements, enlargements, and repairs on buildings and grounds, and for the construction of new buildings, shall be made strictly within the limits and terms of the appropriations made for such purposes, and it shall be the duty of the Board of Control, in the consideration and adoption of plans, specifications and contracts therefor, not to exceed such appropriations, nor to incur any obligations in excess thereof. It is provided, however, that the Superintendents of said institutions, under the direction and upon the written approval of the State Board of Control, shall be authorized to make such changes and substitutions of any amounts appropriated for maintenance, miscellaneous items, general repairs and improvements, excepting new buildings, as may be found necessary. Appropriations for buildings may include utility connections and equipment, and building and improvement appropriations made for the Austin State School (Main) and for the Austin State School Farm Colony may be used at either institution by order of the Board of Control. To provide for any further advance in the present cost of construction the Board of Control is authorized to supplement building appropriations at any of the institutions from any non-salary available appropriations or local funds by not exceeding eight per cent. The Board of Control, within their discretion, may have all plans prepared, bids advertised and contracts let so that the buildings provided may be placed

under construction beginning on September 1 of the fiscal year for which the appropriations are available.

(d) Each of said institutions is hereby allowed from its support and maintenance or other appropriation a small revolving or petty cash expense fund not to exceed, at any time, Two Thousand Dollars (\$2,000.00) at the larger institutions and not to exceed One Thousand Dollars (\$1,000.00) at the small institutions for the purpose of making emergency payments and purchasing perishable products, and the amount allowed each institution shall be certified by the Board of Control. Also each institution operating small stores, industrial or occupational departments, including the Dairy Products Plant at the Austin State Hospital, are hereby allowed revolving cash expense funds out of the respective institution's industrial or occupational deposits or receipts for the purpose of making emergency expenditures necessarily incurred in connection with the institution's industrial, occupational and other necessary activities, in amounts not to exceed Three Thousand Dollars (\$3,000.00) at the larger institutions except not exceeding Six Thousand Dollars (\$6,000.00) at the Austin State Hospital's Dairy Products Plant, and not to exceed One Thousand Dollars (\$1,000.00) in the smaller institutions, the amount for such purposes to be certified by the Board of Control. Provided, these limitations as to amounts shall not be enforced when there is a deficit of more than One Million Dollars (\$1,000,000.00) in the General Revenue Fund.

Revolving Funds and Institutional Receipts. (a) No property belonging to any of the institutions shall be sold or disposed of without the consent of the Board of Control; and all proceeds from the sale of any such property, from labor performed, from the sale of crops and pay-inmate receipts, shall become and are hereby appropriated as a maintenance or contingent fund to be expended under the direction and upon approval of the State Board of Control. The State Board of Control is hereby authorized to use out of the proceeds of said receipts and funds such amounts as they shall deem necessary for the support and maintenance of said institutions, including the purchase of equipment and materials for the entertainment, diversion, or therapeutic improvement of the patients and inmates; needed hospital or institutional furniture and equipment, supplies, materials, repairs, improvements, including small buildings, and contingencies; and a complete statement of all such transactions shall be made in the annual reports of said institutions. The industrial and small store receipts and funds of said institutions, including those of the Austin State Hospital Dairy Products Plant, are hereby appropriated for the support, maintenance and operation of said enterprises and such receipts and funds may also be used as an institutional contingent fund under the direction of the Board of Control. Any balances remaining to the credit of any of said institutional local funds at said institutions or in the State Treasury at the end of any fiscal year are hereby reappropriated for the above mentioned purposes for each year of the biennium.

(B) Upon the approval of the Board of Control, said institutions may make just and properly due refunds of any advance payments made on behalf of pay-inmates out of the pay-inmate receipts or funds; and the Board of Control is allowed, and there are hereby appropriated out of said funds not exceeding Five Hundred Dollars (\$500.00) per year for traveling expenses and such other amounts for the employment of additional help, not to exceed two (2) employees, as shall be necessary, to be used by the Board of Control in connection with the collection of pay-inmate charges and institutional supervision, the amounts to be paid for such help not to exceed amounts paid for similar services. Refunds to patients for unused advance payments may also be made out of cash revolving funds, if directed by the Board of Control. There is also appropriated to the State Board of Control out of any institutional receipts or funds such amounts as may be necessary for traveling expenses and for salaries of a chief of the Division of Eleemosynary Institutions provided for in Article 690 of the Revised Civil Statutes of 1925, and other necessary help; provided the amounts paid for such services shall not exceed the remuneration fixed for similar services.

Employment of Aliens Prohibited. It is hereby provided that none of the moneys herein appropriated shall be paid for salaries or wages for a longer period than three (3) months to any person who is not a citizen of the United States.

United States Aid. The Board of Control, within their discretion, may take advantage of and accept any aid extended by the Federal Government for buildings, improvements and repairs at the eleemosynary institutions.

Alabama and Coushatti Indians. The expenditure of all money herein appropriated for the welfare of the Alabama and Coushatti Indians in Polk County, and all employees therefor, shall be under the supervision and appointment of the State Board of Control.

The Board of Control is hereby authorized to accept gift deeds, approved as to form by the Attorney General, for not exceeding 450 acres of land adjoining or near the Alabama and Coushatti Indian lands in Polk County, Texas, in which conveyances the owner or owners may desire to retain timber rights for not more than twelve years and retain oil and mineral rights permanently. The Board is also authorized to cooperate with the Federal Government on any Federal projects proposed for improving the educational and economic conditions of said Indians.

Sec. 4. If any section, sentence, clause, or part of this Act shall, for any reason, be held to be invalid, such decision shall not affect the remaining portions of this Act, and it is hereby declared to be the intention of the Legislature to have passed each sentence, section, clause, or part thereof irrespective of the fact that any other sentence, section, clause or part thereof may be declared invalid.

Sec. 5. The fact that the above and foregoing is one of the regular appropriation bills to pay the salaries of employees, and to pay other expenses of maintaining and conducting certain eleemosynary institutions and other State agencies of the State for the two (2) fiscal years beginning September 1, 1937, and ending August 31, 1939, creates an emergency and an imperative public necessity, requiring the Constitutional Rule that bills be read on three several days be suspended, and the same is hereby suspended, and this Act shall take effect and be in force from and after its passage, and it is so enacted.

A BILL

To Be Entitled

An Act granting to the United States of America easement to construct and maintain the Louisiana and Texas Intracoastal Waterway over and through portions of bays and tidal lands owned by the State of Texas in Brazoria, Matagorda, Calhoun, and Aransas Counties; providing for a forfeiture; protecting

vested rights and declaring an emergency.

Be it enacted by the Legislature of the State of Texas:

Section 1. That there is hereby granted and conveyed to the United States of America the free and uninterrupted use, liberty, and easement to construct and maintain the Louisiana and Texas Intracoastal Waterway over and through disconnected portions of bays and any tidal lands owned by the State of Texas within an area 300 feet in width extending from the Galveston-Brazoria County line to the 9-foot contour in Aransas Bay along the route of the projected Louisiana and Texas Intracoastal Waterway as shown in red on map, in four sheets, prepared by the United States Engineer Office, Galveston, Texas, entitled "Louisiana and Texas Intracoastal Waterway, Survey of 1927-1928," Index Sheets Nos. 1. 2. 3. and 4, File No. 16-4-4, and the further free and uninterrupted use, liberty, and easement to deposit dredged material during construction and maintenance of the waterway in bays and on tidal lands owned by the State of Texas within 2,000 feet of the above described area, said portions of bays and tidal lands being located in Brazoria, Matagorda, Calhoun, and Aransas Counties.

Sec. 2. Provided, however, that should the United States of America fail or refuse to construct said Intracoastal Waterway prior to January 1, 1947, or should said Government cease to maintain or to have maintained said Intracoastal Waterway at any time, then this right of easement shall cease and determine, and all right of whatsoever nature shall revert and be vested in the State of Texas.

Sec. 3. Provided, further, that nothing in this Act shall be construed to affect or impair any vested rights.

Sec. 4. The importance of this Act and the necessity of easement to the United States in certain lands for constructing and maintaining the proposed Louisiana and Texas Intracoastal Waterway, creates an emergency and an imperative public necessity that the constitutional rule which requires that bills be read on three several days in each House be, and the same is hereby suspended, and that this Act shall take effect and be

The roll was called and sixteen senators answered to their names.

Senator Neal moved a call of the Senate for the purpose of securing and maintaining a quorum, pending consideration of S. J. R. No. 5, and the call was duly seconded.

Senator Hill raised the point of order that there was, in fact, a quorum present at the time the motion was made for a call of the Senate to secure and maintain a quorum, and that the call is now being enforced in violation of the rules of the Senate.

The President overruled the point of order.

Senator Woodruff raised, and submitted in writing, the following point of order:

Mr. President:

I raise the point of order that under Rule 4 of the Senate Rules no motion is in order for a call of the Senate except for the purpose of securing and maintaining a quorum, and that the motion of the Senator from Webb County is out of order because the roll call thereon discloses there was a quorum present when the motion was made.

The President (Lieutenant-Governor Woodul, presiding) overruled the point of order.
